## Who is Caps For Kids?

Caps For Kids is a national nonprofit organization that puts smiles on the faces of children with cancer by providing them with a ball cap autographed by their favorite athlete, actor, singer or other notable person of their choice. Caps For Kids works with more than 150 pediatric oncology medical facilities around the country to connect kids with their Cap Heroes.

To a child who loses their hair as a result of cancer treatment, a cap signed by their hero gives them strength. It fills them with courage. It makes them feel special. Many kids tell us it's as though their celebrity hero is right there beside them in every treatment, rooting for them.

## Ways to Get Involved

### Host A Cap Day

Cap Days are hosted by participating companies. Employees donate approximately \$5 to wear a hat or Caps For Kids sticker on a day of the company's choosing. Many of the companies that participate also match their employees' donations. Caps For Kids can create a web page to easily collect donations for your company. We also post photos of Cap Days on our social media platforms.

### Become a Corporate CAPtain

Our Corporate CAPtains are the businesses and foundations that help Caps For Kids fulfill our mission by donating funds to keep our operations going. With your donation, you not only contribute to a great cause but also receive some great benefits. Please refer to the Corporate CAPtains sheet for more information.

### Top Hat Society

All donors who give over \$1,000 are inducted into the Top Hat Society. Each new Top Hat Society member will receive a special gift in recognition of their generous donation.
